Mrs. Kate Wilson, president, presents the cheque to Sister Tetrault, Sister Superior.

\$485-FOR NEW YUVILLE HOME

At the residents' monthly bingo June 20 put on by the Marguerite d'Youville Auxiliary, Mrs. Kate Wilson, president, presented Sister Tetrault with a cheque for \$485.00. This is to furnish a patients room in the new Yuville Home.

Construction on the new home is slated to begin in September. The new home will occupy 5 acres on the present site. It will include jointly, a 3 storey residence and 1½ storey chapel and administration offices.

Council Meeting of June 22

Semi Detached Dwellings The petitioners from the Grosvenor and Quinsboro area expressed satisfaction in the fact that Weber Bros. is willing to build 11 single dwellings instead of the 18 opposed duplex houses. Dr. Skrobot moved the re-subdivision of this area for single dwelling lots, provided that a satisfactory agreement is drawn up with the developer.

Public Park The Town will buy some land from the Sisters of Charity, in Mission Park east of the Public School Administration Building, for use as a public

park. This lovely spot will be saved so that future generations will be able to see the thrilling panorama view of our town.

Concrete Tenders The tender for concrete for 300 yards of sidewalks was awarded to Ok Construction.

Opening Salisbury Ave. to Hwy. 42 Council couldn't reach a decision regarding access from Salisbury to Highway #2, where Texaco Canada plans to build a service station. Councillor Skrobot moved that this matter be given into the hands of the Town solicitor for advice for the next meeting. Those petitioners against this access will have to wait till then for the final decision.

Curling Rink The old wound in town - will the town buy the curling rink or

FIELD DAY-1964

On June 18th the first meeting was held in the Vital Grandin School regarding the Field Day for children. Last year this was only for Sturgeon Heights, but it was decided at this meeting that for 1964 the whole town would participate. All interested parents are urged to attend a final meeting to be held on June 26th, 8 p.m. in the Vital Grandin School.

Have your fliers inserted in the

TO - NITE !!

There will be a meeting at the Sir George Simpson School tonight, Wednesday, June 23rd, regarding the Nursery School - Kindergarten. Everyone welcome!

continued

not - came under discussion again at this meeting. Council instructed the Senior Administrator Mr. Gee, to draw up an agreement between the St. Albert Curling Rink Ltd. and the Town. The matter was referred to the next regular meeting. Councillor Fowler suggested an outright purchase of the curling rink, to be used as a recreation facility for the whole town, not only during the winter season, but for all kinds of activities in the summer months.

Recreation Board Once again there are two vacancies on the Recreation Board. Mrs. Merle Vaciroa, Grandin Park, didn't accept her appointment, and the Chairman Mr. Chris Gates, resigned both as chairman and member of the Board. Council will have to appoint two more members as soon as possible, to complete the Board.

Alka Sheet Metal Building Mrs. S.G. Kennedy, owner of the Alka Sheet Metal Building, received permission from Council to close the back lane during the demolition of this old building.

CIVIC DAY 1964

The meeting called by the St. Albert and District Chamber of Commerce on June 11 for organizations wishing to participate in the 103rd anniversary celebrations on August 3rd, 1964, was attended by only four clubs. In view of this no decision could be made as to how the participating organizations should share in the expenses for promoting this celebration. Due to the disappointing attendance of this last meeting and since time is running short, the Civic Holiday Committee of the St. Albert & District Chamber of Commerce has decided to operate this year's celebration on the same basis as 1963. The Committee has prepared a rental list for the different concessions set up in previous years and will consider any new projects for which a rental amount will be set up for the space required.

Any club or charitable organization wishing to take part in our celebration on August 3rd, 1964, please contact either Mr. Jack Manarey at 599-7303 or Mr. Vince Ratchinsky at 539-6636.

PHONE THE RCMP

The R.C.M.P. reports that more and more complaints are coming in regarding irresponsible speeders in the residential areas. Before the holidays start, our residents should note any speeders in their neighbourhood and phone the R.C.M.P. The summer holidays are a very dangerous time with all the children on the streets. All of us should do everything possible to protect our children from these potential killers.

NO WEAPONS UNDER 16

About 2 weeks ago, Anne Ostergard, aged 13, was seriously injured in the eye by a 12 year old boy shooting a pellet gun. For the first week Anne was completely paralyzed and is still in hospital. The doctors don't know yet if he will lose the sight of that eye.

The parents of the 12 year old boy didn't know that he had this pellet gun. Mr. & Mrs. Ostergard did not want any sensational publicity which is why this accident hasn't been mentioned before. But at the last Council meeting, a petition was presented to Council from the Ostergard's neighbors (including the father of the boy with the gun) requesting that Council prohibit the sale of air rifles, BB guns, pellet guns, etc., and also the ammunition. Their petition read as follows:

- (1) The sale of BB guns, air rifles, Pellet guns and other such weapons be prohibited in St. Albert to persons under the age of 16.
- (2) That persons under the age of sixteen be prohibited from carrying these weapons on the streets of St. Albert or in the town-site.
- (3) That the sale of ammunition for these weapons be prohibited to persons under the age of sixteen in St. Albert.
- (4) That there is no intent to stop the legitimate use of these weapons by persons over these ages by adults or persons who are responsible for their actions, but is to prevent any further injuries to innocent bystanders.

That we are not against the formation of gun clubs nor against these weapons being used in the proper places nor by youths in these places under the guidance of older persons who may train them in the proper and safe use of these weapons.

That we believe that if the Council passes a by-law on these items persons who are entitled to carry these weapons or youths who come under these age groups who wish to take weapons to a proper and safe place to fire them could do so by having the weapons in a proper carrying case while they are transporting them.

Council decided that the petitioners should contact Sgt. Lyndon of the R.C.M.P. to discuss a new by-law or a revision of the present by-law, and to bring the recommendations to Council.

We regret that one of our local boys had to suffer before this action was taken. It is shocking the number of boys in town who have these guns. Yesterday, we saw a boy with a gun, kneeling and shooting across Highway #2. We know some families who have several guns, and who put a target on their fence and use it for practice in their gardens.

Council was convinced that something must be done as soon as possible. We hope that in the meantime all parents will check to make sure their children have no guns of this type.

We would like to repeat that the attitude of the Ostergard family is a first class example of tolerance and understanding.

USE CURLING RINK

DURING SUMMER

Councillor Dick Fowler had a good idea when he suggested that the Town of St. Albert buy the St. Albert Curling Rink for their first recreation project. If Council built a floor in the building and finished the club rooms upstairs, it

continued on next page

Mortgage Loans

Credit Foncier Franco-Canadien

could be used year round for conventions, exhibitions, banquets, etc. This way it could be earning money in the summer instead of just lying idle as it does now. Many of our town's organizations and clubs need club rooms for their meetings. We sincerely hope that Council can come to an agreement with the St. Albert Curling Rink Ltd. so that this problem will be solved for good. In the meantime, the oldtimers who founded the Curling Rink in St. Albert should not be forgotten. They should have their say in any transaction between Town and the St. Albert Curling Rink Ltd. regarding the use of the curling rink to protect their unwritten curling rights. They were the men and women who introduced this popular sport to St. Albert and in many cases it was their money which helped to build this rink. And let's not forget the three men who saved the St. Albert Curling Rink from bankruptcy only 2 years ago. These people deserve some consideration for their selfless efforts to bring and keep curling in St. Albert.

TOWN OF ST. ALBERT

THE OFFICIAL OPENING OF THE NEW

• FIRE HALL •

Will take place on Sunday June 28th, 1964.

at 2:00 P.M., at McKenney Avenue, St. Albert,
West of Grandin Shoppers Park.

The presentation of the 1962 and 1963 Fire
Prevention Week Awards to the Officers and
Men of the Fire Department will also take place.

All residents of the Town are cordially invited
to visit the New Fire Hall, on this auspicious
occasion, between the hours of 2:00 and 5:00 P.M.

St. Albert DRIVE-IN THEATRE

GOODWILL INDUSTRY

The Kinamen Club of St. Albert recently distributed bags to all the homes in town. They ask that you fill these bags with your domestic discards: clothing, shoes, radios, clocks, small appliances, toys, tools, jewellery, bedding, pictures, dishes or anything useful. These items are refinished at the Goodwill workshop in Edmonton and resold at the Goodwill Store. This is a way to provide jobs for the handicapped of Northern Alberta.

We all have things in our homes that are no longer of use to us, but that could be fixed up and sold by these handicapped persons.

Help the handicapped and yourself. Clean up your basement and fill the bag. It may be deposited at this depot in the Grandin Shoppers Park anytime this summer.

TIPS

FOR THE FISHERMAN

by Slim Layly

So, the frost has thawed out of the old bones, the ice is off the lakes, and it is Spring again - the time a young man's fancy turns to thoughts of boating (with or without the Love angle).

With the waters available to us for recreational purposes becoming more crowded every year, we can reasonably expect water safety regulations to be more rigidly enforced. There are two aspects of water safety, one is the legal aspect in which regulations have been enacted which cover all known exigencies, the other is the human aspect which goes even farther and entails the use of common sense, courtesy, and consideration for the welfare of other people.

Know Your Regulations

The boating regulations, together with a great deal of other relevant information are clearly laid down in the Federal Government booklet "Safety Afloat", which can be obtained free from the Customs and Excise Office in the Federal Building, Edmonton. (We keep a few copies in the office for the convenience of our members.) The regulations laid down in this booklet are based on the International Laws regarding seamanship supplemented by clauses designed to take care of conditions peculiar to our own country. These water safety regulations carry just as much weight as the Highway Code does on the road, and ignorance of them is not accepted as an excuse for non-compliance.

In their own interests ALL boat owners and operators should have a copy of "Safety Afloat" and read and memorize the contents. It is just as important for a canoeist to know the water safety code as it is for the cyclist to know the Highway Code.

Courtesy First

As with a car, a boat can be a useful piece of equipment, an amusing toy or a deadly weapon; therefore the human factor is vitally important. Courtesy and consideration for other people is integral

with all concepts of sportsmanship; it is also integral with safety. Courtesy means giving the other guy a break - keeping your water skiing and fast work to the middle of the lake, not "bussing" the shoreline to the annoyance of anglers etc. This type of "showing off" results in a high proportion of avoidable mishaps, it is a display of supreme ignorance far removed from any concept of sportsmanship.

A boatman is morally, as well as legally responsible for the safety of his passengers and other boats in the vicinity; therefore, if he is a sportsman he will take time to make himself an efficient seaman; this entails a working knowledge of navigation and boat handling, the "rules of the road" concerning boats, the correct signals to be used by day and night, and a working knowledge of first aid and artificial respiration.

It takes considerable time and experience to become an efficient seaman, but however reckless he may be of his own welfare, a sportsman will take this time and trouble out of courtesy to his passengers and other boatmen. Discourtesy and lack of consideration for others clearly indicates lack of experience, not the reverse as most "show offs" think.

Campsite Courtesy

A camp is one of the surest indications of the character of a man. The experienced camper automatically cleans up his campsite before he leaves it - burns or buries any garbage which would be unsightly, attract flies or other pests, or present a fire hazard. He naturally expects to find it in the same condition on his next visit. Most of us have a favourite camping spot away off the beaten track, where we like to go for a few days fishing or hunting away from the crowd. We don't expect to keep such a spot all to ourselves indefinitely, and are not unduly alarmed if the ashes of a campfire, and a few tracks indicate that another party was there a few days before us; but if we find waste paper, empty cans and bottles scattered all around, and perhaps a stinking heap of rotting fish guts or food refuse, swarming with flies, a sour note is struck, our trip has been spoilt, and that particular spot has lost much of its attraction for us, so let us all set an example by leaving our campsites as clean and tidy as we hope to find them when we return.

Bag Limits

Whether or not creel limits serve any useful purpose is open to debate, but as long as we are saddled with them let us stick up to them in the spirit as in the letter of the law. The fact that a fellow sometimes gets poor fishing is no excuse for taking more than his limit on those days when the fishing is good, because angling is a sport and a challenge to the angler's skill, not a commercial proposition. The common prac-

tice of hanging the fish on a stringer until the end of the day, and then turning the smallest loose and keeping the limit of just the best fish, is a deadly waste because fish that have been dragged behind a boat by their gills and dragged out of the water a dozen or more times while other fish are added, will not survive anyway. Keep just the fish you can use, and release the others as soon as they are caught, so that they can provide some fun for someone else. You may be destroying the tangible evidence of your angling skill, but you will have the inner satisfaction of knowing that you rate as a sportsman. Be a true sportsman!

FISHING SPOTS

Trout You are no doubt aware by now of the winter kill in our local trout lakes Muir Cottage, Sauer, from all appearances suffered a complete winter kill. So if you want to catch trout the following local lakes are the ones to go to. Big Chichakoo, Black Nugget and Star Lake. These are the only ones in our area that are recommended by Fish biologist Rod Patterson. Although the situation might look grim, consider what it was like a few years back when there was no trout in any of the mentioned lakes. If you wish to go farther afield, try Obed Lake or Wildhorse west of Hinton. They are both very good and Obed was stocked heavily during the last two years and it has always had a very good resident population of trout, some of them real whoppers. The streams in the foothills are now starting to run down and I have heard of some good catches out of the Edson River, north of Edson.

Pickeral, Perch and Pike While there have been some catches of pike from the northeast corner the situation here at home has been very slow with the last few days of warm weather I am sure that the mentioned ones will come into their own, they always have and the middle of June is always the best time for Pickeral in the following lakes: Lac St. Anne, (Alberta Beach), Lac La Nonne and Lake Isle. The peak time in these lakes last year was the 12th of June, so keep this in mind this year. There is uncounted numbers of pickeral in these lakes, as well as perch and Pike. There are several methods used to catch them with trolling being a favorite, for pickeral the following plugs are recommended: Baby pikie minnow, U-20 flatfish, Canadian wiggler. These plugs must be fished close to the bottom for Pickeral and the must be fished slow. The most successful way to fish Pickeral, Perch and Pike in the lakes mentioned is, of course, with a spot tail shiner minnow, these lakes are full of them. Put a lead on the end of your line, tie on a number 6

Soccer

SUCCESSFUL PLAYOFFS

The St. Albert PeeWee A and B teams finished tops in the Northern Junior Soccer League by putting out Ajax, Jasper Place and Legal. Two games will decide whether Team A or Team B will be Northern League champion. These games will be played on the Vital Grandin soccer field Thursday at 6:30 p.m. and Saturday at 10 a.m. The winner will meet the champ of the Edmonton & District Southern League for the Edmonton & District Championship. All parents and interested persons are invited to watch these games.

LOSS FOR HERCULES

Hercules coach, Mr. R. Edmond, will be leaving St. Albert next week, to move to Winnipeg. The short time that Mr. Edmond served with the St. Albert Soccer Club was a very active one. He was not only loved by the players, but he was always available to transport the boys all over the district. All Hercules members wish the Edmond family the best for the future. There will be an official farewell this Saturday in the Vital Grandin Field at 9:30 a.m.

NO LONGER NECESSARY

Why go out of town to buy, sell or trade your car? This is no longer necessary. Stay in your own town and see your local new and used car dealer. Compare prices in the newspaper with anywhere else. You will deal with pleasure and confidence at Spartan Car Sales, St. Anne Street, St. Albert, owned by Jack Manarey, a citizen of your town who is eager to do business with you. FATHER BRETON IS DEAD

Reverend Paul Emile Breton, 61 year old Oblate Father, and noted Western Catholic historian, died on June 17.

In addition to being active in the French language newspaper and radio field in the Edmonton district, Father Breton as writer and historian was very interested in Western Canadian history. St. Albert having been the focal point of much of the West's history, deserved his

special attention. His hope was that someday, St. Albert's museum & historical monuments would be improved in order to make more Western Canadians aware of their historical past.

Father Breton wrote seven books and numerous articles on Western Canadian history, one of which was "The Black Robe" a biography of Reverend Albert Lacombe, the famous missionary, pioneer and great friend of the Indians, sent to the Canadian northwest in 1850. Father Breton also wrote the biography, to be published later this year, of Reverend Vital Grandin, first bishop of Edmonton.

Born in St. Hyacinthe, Quebec, in 1902, he received his early theological training at Ottawa's St. Joseph's seminary. His subsequent religious service included a year's lecturing at University of Ottawa, parish work in Massachusetts and Quebec City, until his move to Edmonton in 1939.

Funeral services were held on Saturday, June 20, from St. Albert's Roman Catholic Church, and burial followed in the Oblate Fathers plot in that cemetery.

UNITED CHURCH

On Friday, June 19, Rev. Hart Cantelon radio pastor and principal of Alberta College, spoke to a gathering of St. Albert and district residents on matters relating to Christian family life. A large portion of the address was directed toward the relationship of parents and teen-agers. Mr. Cantelon contrasted the way of life today with that of twenty or thirty years ago, pointing out that several areas of life are very complex in our present society. He suggested that only so far as we recover a sense of community rather than the present sense of rugged individualism, can we hope to provide a stabilizing element to the contemporary scene. A coffee hour in the Lower Hall of the church followed. It was most pleasing to note that the guests at Mr. Cantelon's address represented many religious traditions and that, in their common concern for the future of their children and the youth of the community, they could gather together.

On Sunday, June 21, the Church School Promotion and Award Service was held in the Church. Some 140 students were recognized for their achievements and Dr. Schwarz paid tribute to them and their teachers for a year's work well done. A large number of the families gathered later in the lower hall of the church for lunch and a social time despite the rain which spoiled the plans for the yearly church school picnic.

On June 28 a Service of Infant Baptism will be held at the Morning Service (9:30). Rev. Dr. Schwarz will officiate

During the Summer Months Nursery Service will be provided during the hour of worship. Inquiries concerning this should be made to Mrs. Green 599-7105. Tiny-Tots and the younger Church School students will have a program of activities, for information call Mrs. Bronson at 599-7138.

COMBINED WORSHIP

For the third successive year the Baptist and United Churches of St. Albert will meet together for worship during the Summer Holiday months. During the month of July the pulpit supply will be the responsibility of the United Church and during August that of the Baptist Church. The meeting of the congregations in this manner has resulted in the growth of understanding between the congregations and many deep friendships and associations have developed between persons of the two congregations. Services during the summer months will be held at 9:30 a.m. and everyone is invited to attend.

PRESBYTERIAN CHURCH

MINISTER for ST. ALBERT

The Worship will be conducted by the Rev. Gordon MacWillie next Sunday at 9:30 a.m.

During last Sunday's service, Rev. Marsh announced that the Edmonton Presbytery has decided to appoint a minister for St. Albert as soon as possible. This minister will also serve a new congregation in Jasper Place.

PIANO RECITAL

The piano students of Lillian Upright recently presented their annual June "Recital for Parents" at Mrs. Upright's home. Pupils taking part were: Dawn and Danny Zowtuk, Jean and Irene Shultz, Janet Kelly, Janice Underechultz, Michael Ross, Sherry Miller, Holly and Patty Nickerson, Kerry Cassidy, Sheila Roe, Susan McGee, Elaine Dute and Sandra Barry.

A special guest was Dr. Walter Meyer, cellist with the Edmonton Symphony Orchestra. Dr. Meyer spoke briefly on his instrument, and encouraged the students to consider playing a second instrument. Accompanied by Mrs. Upright, he played two selections: the slow movement of Brahms' Sonata op. 99 for cello and piano, and "At the Fountain" by Davidoff.

From Our Readers

Re Goshen Church

As the former convenor of the Archives Committee of the Edmonton Presbytery, United Church of Canada, I was interested in your article of last week concerning the interesting history of the Goshen Church and, because of its local interest I am sending you some added information as to its history. Before 1925 this congregation was, at times, included with other points to form pastoral charges. These other places were sometimes close; Independence, Morinville, Cardiff, Riviere Qui Barre and St. Albert, but suprisingly there were times when it was associated with such places as Stony Plain and Edson. During those years such men as A.S. Reid, W. Rennie, W. Johnston, J. Kelly, W.T. Hamilton, T.F. McGregor, J. Edgar, H.S. Rice and H.D. Keith served in its pulpit. In 1925 the Goshen Congregation came into the Union of the Presbyterian, Methodist and Congregational Churches. Since then it has been served by such men as E. Birdsall (Dr. Birdsall is now in Kelowna, B.C.); C.D. Powell (Dr. Powell is now Superintendent of Home Superintendent for Alberta); J. Sorochan (Mr. Sorochan is now with the Canadian Bible Society in Edmonton); O. Cypris (now a pastor in New Jersey); G.S. French; G.S. Lapp (now in Port Colbourne, Ont.); G.A. Larue (Mr. Larue is now a professor at the Pacific School of Religion in Berkeley, California); W. Archer (now pastoring in Newfoundland); G. Winch (now in Oak Ridge, Ont.); M. Vannest; R.D. Thompson (now in Islington, Ont.); G. Betts (now in Grand Forks, B.C.) and J. Lakewitch (now Dean of Men at the Christian Leadership Training School at Narsimata, B.C.). Unfortunately time did not allow for a search to fill all the gaps in names of those who have served so well in the pulpit of this church and it is not possible to list all the wonderful witness and service of the people of the congregation, a witness and work that continues to this day in that some four years ago the congregation, recognizing the problems of pastoral supply and efficiency transferred their memberships into the church at Independence and other places. Some of these have been participating in the church life of St. Albert and some are looking now to association and participation in and with the United Church group meeting in Morinville. The care that has been given to the Goshen Church property by interested local people and the courtesy extended to the minister of St. Albert United Church when he has conducted occasional services in the Goshen Church has been magnificent.

Persons having information about local sites such as this can add immeasurably to the life of our community and I think the Gazette is to be congratulated for its support of this by its publication of local history.

Rev. Dr. Ed. Schwarz,
St. Albert United Church.

CLUB NOTES

The Ladies Auxiliary to the First St. Albert Cubs and Scouts will hold their regular monthly meeting in the R.C. Parish Hall on Thursday, June 25 at 8 p.m. All mothers are invited to attend.

The St. Albert W.I. will hold their June meeting Tuesday, the 30th, at the home of Mrs. Rouault. Roll call will be "Four Canning Tips". All members are urged to attend.

The Father Lacombe Chapter I.O.O.F. held their final meeting for the summer on June 17th at the home of Mrs. M. Vacirca 24 Grandora Cres. 'Services at Home and Abroad' Secretary Mrs. D. Odinga, distributed wool for Korean sock knitting and informed members that flannelette for sewing is also available.

A souvenir spoon was presented to Education Secretary Mrs. D. Jewitt, who is leaving to take up residence in Swan Hills. Nominations for a new Education Secretary were held. The election will take place at the September meeting.

The annual meeting of the Ladies Auxiliary to the 2nd St. Albert Cubs & Scouts was held June 9, in Sir George Simpson school. Many thanks to the Cheyenne Pack and their leaders who put on a fine display of their work and also entertained before the business meeting. The following slate of officers was elected for next term: president - Mrs. L. Hill; secretary - Mrs. T. Forbes; vice pres. - Mrs. B. Carter; treasurer - Mrs. M. Page; sewing convenor - Mrs. D. Dolman; program convenor - Mrs. B. Best; social convenor - Mrs. L. Tennant. We wish them every success in the coming year and hope all mothers of Cubs and Scouts will give them their whole hearted co-operation.

Mr. Langford and Mr. Page, Cub Leaders, were in attendance at this meeting to give information and answer questions about the forthcoming camp which is to be held August 21, 22 and 23.

SUNDAY PROGRAM

AT THE EDMONTON

PUBLIC LIBRARY

Films Français Mardi, le 30 Juin 7:30

Crin Blanc, Cheval Sauvage Réalisateur: Albert Lamorisse. C'est l'histoire d'un cheval sauvage de Camargue, et d'un jeune garçon. Le cheval, qui refuse de se laisser dresser par les hommes, obéit à l'enfant et tous deux disparaissent dans les flots et arrivent dans un pays où les enfants et les chevaux sont éternellement amis. 1953 - Paris - Prix Jean Vigo; 1953 - Cannes - Grand Prix International.

Le Petite Cuillère Réalisateur: Carlos Vilardebo. Musique de Beethoven. Ce film est un regard qui va et vient et retourne en un attendrissement toujours nouveau à un objet de musée. A un objet ou à une femme? Car s'il s'agit d'une cuillère à fard égyptienne, il s'agit aussi d'une jeune esclave, d'une petite nageuse nue. Tours 1960 - prix spécial; Cannes 1961 - Grand Prix du Court-Métrage (Palme d'or).

La Nahanni Malheur au voyageur solitaire qui ose s'aventurer sur cette rivière sauvage aux eaux tumultueuses et aux rives mortelles. Le fameux Styx de la mythologie n'était pas plus redoutable! La légende veut que tous les hommes qui ont tenté d'arracher à la Nahanni son secret y aient laissé leur vie. Comme les fameux frères McLeod en 1908. Mais on a retrouvé près des ossements des deux frères leur "testament": un billet affirmant qu'ils avaient repéré une mine d'or. Mystification ou réalité? Malgré sept échecs, Albert Pallie, 73 ans, persiste à croire à la présence de riches filons. Une fois de plus, il tente de résoudre l'énigme. (prix Festival du film, Acapulco, Mexique; Festival international du film, Berlin, Allemagne.)

FOR LAWN LOVERS

Two years ago, the Spruce Grove Nursery seeded 100 acres with a special kind of grass for residential areas. This grass is now ready to be sold as turf and already many citizens of our town have ordered. The grass consists of 65% red fescue, 25% Kentucky blue and 10% red top. It is first quality turf with absolutely no weeds. It is ideal for slopes which is of special interest in our town as so many of the new districts are sloped. For further information, look at the back page where you will find the Spruce Grove Nursery advertisement.

J.F. SWAN FETED

A banquet honoring Mr. J.F. Swan, Supt. of Schools for the County of Sturgeon for the last 9 years, was recently held at the Bonaventure Motor Hotel. It was sponsored by the Sturgeon Local of the Alberta Teachers' Association to pay tribute to Mr. Swan who is leaving in the near future to assume the position of Inspector of High Schools for the Department of Education.

Dr. R.E. Rees, Director of Special Services with the Department of Education recounted some of the various activities in which Mr. Swan has been engaged on behalf of Education in this province.

Mr. J. W. Flynn, Chairman of the School Committee in the County of Sturgeon, presented Mr. Swan with a desk and chair on behalf of the County School Committee. Mr. D. L. Petherbridge, President of the Sturgeon Local, also presented Mr. Swan with a set of luggage on behalf of the teachers in the Local.

Mrs. Swan was not forgotten by the group as Mrs. J. Pasenke, Bon Accord, presented her with a bouquet of one dozen red roses.

The people with whom Mr. Swan has been associated in this area wish him every success in his new position.

STURGEON HEALTH UNIT

ESSAY WINNER

Miss Ingeborg Siegl of Clyde School has won the Health education trophy for the year 1964. This trophy is presented each year, by the Sturgeon Board of Health, to the student in grade 9 in any of the schools in the Sturgeon Health Unit area, who submits the best essay on a specially chosen health topic.

This year the subject for the essay was 'Contamination of water courses - effects and control'.

"Yes, dear, you look fabu-
lous—I've never seen you
looking fabulousier!"

"I was NOT laughing at your
singing 'I wanna be Bobby's girl.'"

PLAYGROUND PROGRAM 1964

COUNCIL APPROVES APPROPRIATION FOR SUMMER PLAYGROUND PROGRAM

St. Albert residents will be pleased to learn that three playgrounds will be in operation in the town throughout July and August of 1964. Organized playground activities will be conducted from 10 am to 9 p.m. Monday through Friday. These playgrounds will give residents of all ages the opportunity to make good use of their free time through organized activity. The summer program will consist of games and sports, music, drama, arts and crafts, and special events such as field trips, skit nights and weiner roasts. However, in order to make the summer playground program a success at all, it is necessary that all people in St. Albert use the facilities and grounds and participate in the activities whenever possible; it is the people on the playgrounds that make the playground. Also of great importance is the willingness of youth and adults to volunteer their time to help lead activities; there are

many people in St. Albert who can help our program considerably by passing on their abilities to the playground participants. The playground leaders will welcome any help that is offered.

The three playgrounds to be used are: Mission Park Skating rink building and Mission Park sports area.

Director - Robert Cooke 599-6112

Playleader - Clare Harrington 599-7260

Sturgeon Heights Skating rink building and Vital Grandin school grounds.

Playleaders - Marilyn Buick 599-7472

Wendy Parkes 599-7489

Grandin Park Skating rink building and Simpson school grounds.

Director - Lois Bird 599-6368

Playleader - Stanley Jackson 599-7867

Any enquiries about playground operation may be directed to Donald Cuts, Supervisor of Playgrounds 599-6101.

Although the Grand Opening will be Monday, July 6, playgrounds will start operating on Friday, July 3rd at 10 a.m. In the first 2 days, Friday and Saturday the playground leaders hope to acquaint themselves with the children, youth and adults of their respective areas. Registration of the children is to begin immediately after operations commence. The registration procedure is considered by the playground staff to be of the utmost

most importance, both for statistical value and for more efficient action in case of injury. It will be appreciated if the parents can bring their children to the playground on Friday and Saturday July 3 and 4 to ensure registration. Look in the next issue of the Gazette for details of the Grand Opening Day!!!

ST. ALBERT BRIDGE CLUB

♥ *Let's Play* ♥
Duplicate Bridge

During the summer months, bridge will be played Tuesday evenings from 7:30 to 11 p.m. in the basement of the Community Hall.
